**Mentoring Agreement**

**Purpose**

This Agreement is a tool that may be used by department faculty to support mentoring relationships with graduate students who have reached the thesis/dissertation stage of their program. We encourage faculty to consider using it as soon as the student has completed their formal coursework requirements.

The Agreement should:

- Be part of an extended and ongoing conversation between the student and his or her advisor(s). It should be discussed and agreed upon by all parties to that conversation.
- Clearly outline expectations for the student's performance. At a minimum, it should address the following questions:
  - What will be considered good academic progress toward the thesis/dissertation for this student, in this department? What are the key milestones and timeline for completion?
  - What is expected of the student in terms of professional practice (e.g., what should the student do to prepare for meetings with the advisor(s) and/or committee; what is the appropriate way to submit draft materials)?
  - What happens if the student doesn't meet these expectations as discussed and agreed upon with the advisor? That is, what are the consequences?
- Clearly outline expectations for the advisor(s). It should make clear to the student what the advisor(s) agree(s) to do (e.g., turnaround time on feedback, frequency of meetings, nature and extent of comments/suggestions for revision).
- Establish a realistic timeline for completion that takes into account past performance, the work that remains, the amount of time the student can reasonably dedicate to thesis/dissertation work, and any extenuating circumstances that might impact progress.
- Be revisited on a regular basis (each semester or annually) and adjusted as appropriate.

**The use of this Mentoring Agreement is at the discretion of the department. It should be modified to meet the needs of different academic disciplines.**

**This Mentoring Agreement should not be confused with the Graduate Degree Completion Agreement. While similar in content, the latter is a more extensive document required of all those seeking an extension on the time permitted to complete a graduate degree at KU.**
